

# RCSS – Research Centre for Social Sciences

## *10 Sundays Global Research Program*

### From Data to Publication | Practical Research Mentorship

---

#### Program Mentor

**Dr. J. K. Sachdeva**

- 20+ years of teaching Research Methodology & Statistics
  - External guide for **47 research theses**
  - Expert in SPSS, Python, R, and applied data analysis
  - YouTube educator in data analytics & research
- 

#### About the Program

Many scholars struggle with **research design, data analysis, and publication**. This program is designed to provide **hands-on Guidance** to help participants:

- ✓ Design strong research studies
  - ✓ Analyse data using SPSS / Python
  - ✓ Interpret results correctly
  - ✓ Write and publish research papers
- 

#### Who Should Join

- PhD Scholars
  - MBA / PG Students
  - Faculty Members
  - Independent Researchers
  - Professionals working with data
- 

#### Program Structure (10 Sundays)

**Week 1–2: Purpose of Research, Research Design & Problem Formulation**

**Week 3: Use of AI in research**

**Week 4: Literature Review**

**Week 5: Data Collection & Measurement**  
**Week 6-7: Data Analysis using SPSS**  
**Week 7-8: Data Analysis using Python & Interpretation of Results**  
**Week 9: Academic Writing & Journal Selection & Publishing**  
**Week 10: Capstone Project Presentation**

Personal Guidance for the next 2 months till the project is completed (WhatsApp only)

---

### **What Makes This Program Unique**

- ✓ Practical, not theoretical
  - ✓ Real datasets and live demonstrations
  - ✓ Direct mentorship from an experienced guide
  - ✓ Focus on **publishable research output**
- 

### **Certification**

Participants will receive:

 **Certificate of Completion**  
Issued by **Research Centre for Social Sciences (RCSS)**

---

### **Mode & Duration**

- Mode: Online (Live Sessions)
  - Duration: 10 Sundays
  - Session Time: 3 hours plus half an hour by an expert
- 

### **Fee**

 Introductory Fee: ₹3,000

 **Special Conference Offer:** ₹2,000

---

### **Batch Starts**

July 2026
